THE SEVENTY-FIRST ANNUAL REPORT

of the Board of Management Presented to the Governors on Tuesday, 2nd April, 1946

The Board of Management has the pleasure of presenting to the Governors this Seventy-first Annual Report and Audited Accounts for the year ended 31st December, 1945.

The Board desires first to mention the death of Dr. L. de B. Christian.

There is little that can be added to what has already been said in praise of the memory of so outstanding a man, the greater part of whose life was dedicated to this hospital and to suffering humanity. He has rightly been termed the "Father of Hounslow Hospital," and indeed, the term is true, for it was by his efforts that the hospital established itself in its history of seventy-five years' service. Posterity shall see that his name will not be forgotten.

FINANCE

It will be seen from the accounts that expenditure for the year exceeded income by £40 12s. 9d. The favourable balance of £2,135, which we accrued during 1944, has been well spent in the provision of new boilers, an ironing and airing room for the nurses and a cold storage room. The Building Committee have still a great deal of work in hand, which they hope to see done during 1946, including the external and internal painting of the Hospital and the Nurses' Home and other maintenance items of major importance.

Special mention must be made of a round sum of £1,824 raised through the Entertainments and Appeals Committee during the year under its Chairman, Mr. George Fry, thus bringing the total amount raised during three years up to approximately £6,000. Considering how activities were hampered during the War, this reflects great credit on Mr. Fry and his Committee.

To Heston and Isleworth Wardens' Benevolent Fund Committee, we express special words of thanks for their generous donation of £729, which was used for the purchase of a Diathermy Short-wave Apparatus for the Physiotherapy Department, three electric food conveyors, four cardiac beds and an anaesthetic apparatus.

RESIGNATIONS.

In March, Mr. P. Chase Gardener resigned from the Chairmanship of the Board after holding this office for 15 years. During his long term of service he witnessed many changes in the Hospital, and by his wisdom and sound administration, the affairs of the Hospital progressed with certainty to their present successful level.

In the same way we express our gratitude to Mr. H. T. Berry, who, up till the Spring of last year, was the Chairman of the Finance Committee for over 26 years.

On the Medical side we have suffered in the resignations of Dr. M. Steedman, Vice-Chairman of the Board and Chairman of the Medical Committee; Dr. A. Roemmele, one of our Auxiliary Surgeons, and Dr. E. Hirsch, Resident Medical Officer. We cannot speak too highly of the wonderful record left behind by these

three, but a special tribute must be paid to Dr. Steedman. Wise in lay as well as in the medical administration, he set a standard which gives him a special place in the annals of the Hospital. For Dr. Roemmele, now living in semi-retirement, we have the warmest memories, and to Dr. Hirsch, who volunteered to return to his own country, where help was most needed, we send our greetings and the assurance of a ready and warm welcome at Hounslow Hospital always.

GENERAL.

We welcome Dr. L. A. Wilkinson, who has been appointed Physician-in-charge of the Physiotherapy Department. This means a new clinic in addition to nine others already in existence.

On the 5th October, Lord Jersey, our President, was officially handed over the key of Rotary House. This valuable building has been converted into a Nurses' Training School and for holding social evenings for the enjoyment of our Staffs. We shall always be grateful to the Rotarians and all others concerned for the gift of this building, which served its purpose during the war, and will now serve an even greater purpose in peace.

It will be seen from the Statistical page that the total of 41,892 out-patient attendances and the average daily occupancy of 64.6, stresses more than ever the need for new Departments and additional wards, and mention might be made at this stage that plans are being considered by the Board for the extension of the Hospital to provide a total bed complement of 150 beds, a new main Kitchen, Staff Dining-rooms, Operating Theatre and new Out-patient and Casualty Departments. When these plans are complete we shall be ready to play our part in the National Health Scheme and give the people in the neighbourhood a Hospital, worthy of the Borough and of the efforts made by its founders and its benefactors.

Subscriptions can be Doubled by
means of Seven-year Covenants

HOW ?

By contracting to pay the Hospital an annual subscription of fixed amount for a period of seven years.

BY COMPLETING THE ATTACHED DEED					A SUBSCRIPTION OF				
£1	0	0	will then yield to the Hospital		£2	2	0		
£2	2	0	„ „ „		£4	4	0		
£3	3	0	„ „ „		£6	6	0		
£4	4	0	„ „ „		£8	8	0		
£5	5	0	„ „ „		£10	10	0		
£10	10	0	„ „ „		£21	0	0		

and so on, in proportion,

assuming Income Tax is at 10/- in the £.

The completion of the Covenant and the signing of a Certificate of Deduction of Income Tax (which will be forwarded each year) will enable the Hospital to claim repayment of Tax on the gross amount of the subscription and, although the subscriber pays only the net amount, the gross amount will be shown as his subscription in the Annual Report.

If a subscriber is also liable to pay Sur-Tax he is entitled to deduct the gross subscription as a "charge on income," thus benefiting the Hospital and obtaining further relief from taxation himself as a result of this arrangement.
